

Strategies: Select the UPPER CASE letters in child's first & last name, plus A-Z in order until have 13 letters. Cut out the letters into letter cards: (1) mix & lay the selected 13 letters face up and have the child pull a letter from a deck of the other set to "Find & Name the Letter" or (2) hold the selected 13 cards like a hand of cards, have the child select a card to "Name the Card". Have an alphabet handy for the child to use as a reference to help name a letter. Practice daily until the child can regularly name the 13 letters. SUGGEST USING CARDSTOCK PAPER (J1)
