

Can Name Ending Sound of a Simple Word (O 4)  
THIS IS AN IMPORTANT PRECURSOR SKILL FOR SPELLING

**As a warm up:**

*emphasize* the ending sound of the word as you say it and ask your child can repeat the ending sound of that word:

For example:

fun  
star  
mop  
cat  
dish

Once your child gets the hang of naming the ending sound when ending sound is emphasized, practice saying word normally and seeing if your child can identify the ending sound of the word:

cat  
dog  
far  
will  
bun  
jet  
van  
lip  
& etc.

Practice this skill 1 to 2 minutes per day until your child has learned the skill. Want this skill learned to mastery- child can identify ending sound, from word spoken normally, correctly day after day.
