

Strategies: Cut out the letters into letter cards: (1) mix & lay down all the red set face up and have the child pull a letter from a deck of the blue set to “Find & Name the Letter” or (2) hold a handful of cards like a hand of cards, have the child select a card to “Name the Card”. Have an alphabet handy for the child to use as a reference to help name a letter. (3) Play “Toss & Name”, the child tosses a card up in the air from one of the sets and names the letter as it falls or when it lands. Play daily until child can name at least 20 + letters regularly. This is a milestone!! Cookies & praise all around!! Then keep in until can name all with no effort.
