

Names 20 Letter Sounds from Memory  
(Name Letter & Ask for Sound)

Strategy to teach skill: As a warm up, have the child practice the letter sounds with familiar picture clues by viewing the video at [www.abcsforliteracy.com](http://www.abcsforliteracy.com)

Video on Free PK Lessons Page:

 [Practice Letter's Sound with Picture Clue](#)

Immediately after child has practiced sounds, drill child on 20 letters. Tell the child that you will name the letter & the child is to tell you the letter's sound. Concentrate on the letters you feel like your child knows the related sound for testing purposes. Then practice again with the child the letter sounds for the letters your child does not know.
