

1) Practice: Warm up by writing the LC alphabet starting at the top of each letter. Naming each letter as you write that letter. Use the alphabet song as a reference to name a letter, if needed.

a b c d e f
g h i j k
l m n o p
q r s
t u v
w x y z

2) Practice writing a randomly named lower case letter- Mom or Dad or someone will have to name the letter. Goal now is to be able to write at least 13 randomly named letters from memory without pause. Mastery (thorough understanding that enables one to apply the knowledge) of writing letters is an essential skill to be able to write words & sentences.
